Day 1: We are off for an overnight to New York as this was the most popular trip in our 2017 survey from last year.

This is a perfect trip for you if you ever wanted to visit the city but not venture off too much on your own. Our first stop today is the New York Botanical Gardens for their holiday train show. See garden gauge trains zip along a quarter mile of track past 140 beloved New York landmarks, made primarily from plant materials, including the original Yankee Stadium, the Empire State Building, and Grand Central Terminal. Wander through the beautiful Conservatory under models of several NYC bridges. Time allowed for lunch on your own here. Next we make our way into the city and visit Rockefeller Center to see the Christmas tree all lit up. If time permits, you can visit Saint Patrick’s Cathedral nearby. You’ll want to be in line by 4:00 PM for the highlight of today, the Radio City Christmas Show at Radio City Music Hall. We have reserved orchestra/first mezzanine seating for the 4:30 PM show. Enjoy the spectacular staging, wonderful music and the fabulous Rockettes.

After the show we have included a family style dinner at Buca Di Beppo, featuring salad, pasta, entrée, dessert and coffee or tea (gluten-free and vegetarian options available). Overnight accommodations will be provided at the Spring Hill Suites in Tarrytown, New York.

Day 2: A chance to sleep late and then have an included continental breakfast. We depart the hotel at 9:30 AM for our first destination, Lyndhurst Mansion. This is one of America’s finest gothic revival mansions overlooking the Hudson River, and we have a one-hour guided tour of the mansion. Time allowed for the gift shop. We break for lunch on your own nearby. Next up today is a visit to Washington Irving’s “Sunnyside” for a guided tour. Mr. Irving is best known for “Legends of Sleepy Hollow.” After our tour we will begin our journey home. Day two itinerary is subject to change.
