Our journey today takes us west to the Berkshires of Massachusetts and then across the border into New York.

We will make a rest stop en route before arriving at our first stop of the day, Furnace Brook Winery at Hilltop Orchards, where we will have a winetasting. You can also enjoy the hilltop views or shop the farm winery store for home preserves, artisan cheeses, and fresh-baked goods, including their famous apple cider donuts.

We continue to our lunch stop at the Winding Brook Country Club located in Valatie, NY, nestled between the Berkshire and Catskill Mountains. Winding Brook is considered one of the Hudson Valley's most serene semi-private golf courses.

For lunch today, the staff will serve us salad, rolls and butter and then we be able to partake of a lunch buffet to include a fruit platter, pasta, potato, beef, chicken and seasoned vegetables.(menu subject to change). Dessert, coffee and tea will complete the meal.

Next up is the highlight of the day, *Mama Mia*, at the Mac Haydn Theatre in Chatham, NY. The Mac Haydn is an intimate 350-seat theater in the round. Donna, an independent hotelier in the Greek islands, is preparing for her daughter's wedding with the help of two old friends. Meanwhile Sophie, the spirited bride, has a plan. She secretly invites three men from her mother's past in hopes of meeting her real father and having him escort her down the aisle on her big day. The music from the pop group ABBA will leave you dancing in the aisles. We depart for home after the show. This will be a great day! Won't you join us?
