### TRIP DETAILS

Join us for another new trip and one that we have been wanting to do for several years.

Waterfire is back, and we are taking you there. Tonight will be a full lighting of the rivers. This is Providence's signature event on three rivers in downtown Providence. It is a series of nearly 100 bonfires blazing just above the surface of the rivers. Stroll along the river listening to the music, and maybe watch a performance.

Our adventure today starts out with a gondola trip along the Providence River, allowing you to enjoy the sites and sounds of the city and maybe even a little singing from your gondolier. (Logistically they are unable to accommodate the entire group during the actual waterfire.)

Next up is our dinner buffet at Gregg's Restaurant. Included will be Gregg's famous pickles, salad, baked scrod, chicken parmesan and Eggplant parmesan, all served with mashed potatoes, gravy and mixed garden vegetables. We conclude our meal with a coffee and dessert station featuring Gregg's award-winning chocolate and white layer cake assortment, and decaf and regular coffee.

From here we journey back downtown where you will have an hour and a half to visit Waterplace Park and stroll along the river enjoying waterfire. We depart for home later this evening.
