TRIP DETAILS

Set sail with us on another new day trip as we cruise along the Thimble Islands off the coast of Branford, CT.

Relax and enjoy your cruise around 25 inhabited islands. The Thimbles were first discovered in 1614. These unique islands were used for everything from farming to quarrying its famous pink granite. There are no cars, only foot paths on the islands. This will be a 45-minute cruise aboard the *Sea Mist*, which has two decks.

Before our cruise we will have a morning “surprise” and enjoy lunch at the Chowder Pot III. Our luncheon offers a choice of:

Baked stuffed chicken breast * Boston baked scrod * Eggplant Parmesan as the vegetarian option. All will include a garden salad, chef’s choice of potato and vegetable, hot rolls with honey butter glaze, fountain drinks, coffee and tea. Menu is subject to change. Please make selection below.

Heading home, we will stop at Bishop Orchards for shopping and browsing and maybe a wine tasting.

**** Please be advised**** due to low bridges going to the dock, we will be boarding a school bus from the Chowder Pot and back to our motorcoach after the cruise.

You will need to be able to step-up onto the school bus (steps do not lower like the motorcoach).

Wheelchairs are not allowed on the school bus.
