TRIP DETAILS

Join us on another new trip for the Christmas season.

Day 1 – We are off to Delaware and Pennsylvania to experience the beauty of the holidays. We begin with a visit to the Brandywine River Museum to see their fabulous holiday display including an extensive model train display, thousands of “critter” ornaments, and the art collection of the Wyeth family. Two nights at the Inn at Mendenhall Hotel are included with dinner this evening.

Day 2 – Breakfast included. This morning visit Nemours Mansion built by Alfred Du Pont, an outstanding restoration of an incredible 18th-century French style estate. Our self-guided interior tour will reveal the Du Pont Christmas extravagance at its best. We then pause for lunch at La Verona in historic Kennett Square, PA. (Please make your selection below).

Tonight, we will visit Longwood Gardens, former estate of Pierre S. DuPont and home to 11,000 types of plants. The Christmas spectacular includes 500,000 lights, thousands of poinsettias, towering Christmas trees, and fragrant flowers blooming in the conservatory crystal palace. There is a café on site.

Day 3 – Breakfast included. Today begins at Winterthur Museum, an American estate owned by Henry Francis Dupont. A self-guided tour allows us to visit the exquisitely decorated rooms that recall the beauty and warmth of the season in this most elegant country home. We depart for home after our wonderful holiday adventure. Lunch and dinner stops on your own.
